When replying please quote No A. C. 295/ARP/43-44.

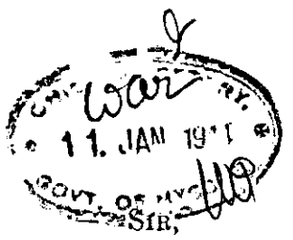
Dated Bangalore, ...9th January,.....1944.

FROM

The Inspector-General of Police in Mysore,
Bangalore.

To

The Chief Secretary to the Government of Mysore,
Bangalore.



SIR,

Adverting to Government Order No.W.1494-91/W.124-43-6 dated 30-12-1943, approving my proposals regarding the disposal of several articles of A.R.P. equipment, I have the honour to state that as regards the disposal of the electrical equipment proposed to be handed over to the Electrical Department Stores for safe custody, the A.R.P. Officer, reports that he had a personal talk in the matter with the General Superintendent, Cauvery Power Scheme, who gave him to understand that it would not be possible to keep these articles separately from his other Departmental stores, as they are likely to get mixed-up and issued to the Departmental work and suggested that the articles will be taken to his Department on value and credit the amount to the A.R.P. funds.

As the electrical goods stored in the A.R.P. Office are materials used once and released by the shifting of the sirens to improve their audibility, they are likely to be valued by the Electric Department at scrap value. But when these materials are required should the emergency arise again, they will have to be purchased from the Departmental stores at the market value existing at that time, thus causing unnecessary expenditure under A.R.P. Measures.

In order to avoid this expenditure and as the articles are not perishable and will be useful at a later date for A.R.P. measures in case they are revived, I have instructed the A.R.P. Officer to keep these articles in the Inspector General of Police Office Stores,

along

along with other A.R.P. equipments.

I request you to kindly obtain the approval of Government to this proposal.

I have the honour to be,
Sir,
Your most obedient servant,
